From Carl E. O'Neal, Street Light Administrator

Subject 1980 Electric Lamp bids No. 537

COPIES TO:

Board of Works
H. Biggs
E. Stanczak

The following is the bid analysis for the 1980 ELECTRIC LAMPS requirements:

All suppliers offerings are based on discount from manufacturers' suggested retail (or list) price. Examination of these lists by this department shows all manufacturer's prices to be substantially identical for the three (3) brand names offered - Sylvania, General Electric and Westinghouse.

The offerings are summerized as follows:

Vendor	Brand Name	Discount from Suggested retail Price	Terms
Central Supply	Sylvania	72.1%	+ 2% 30 days
All Phase Electric	Sylvania	72.6%	*
Graybar Electric	G.E.(Large)	69.8%	+ 2% 10 days
Graybar Electric *	Minature	73.3%	+ 2% 10 days
G.E. Supply	G.E.(Large)	68.0%	+ 2% 10 days
G.E. Supply	Minature	58.0%	+ 2% 10 days
National Mill	Westinghouse	65.0%	+ 2% 30 days

* All Phase Electric's bid did not include cash discount terms or confirmation that the prices were firm for one year. A letter of confirmation was submitted by Roger L. Smith after the bids were opened.

* Graybar Electric's bid of 73.3% for minature lamps was the lowest. Their bid of 69.8% for the larger lamps is third lowest. The bulk of the lamps required for 1980 are in the large category.

Based on an estimated dollar volume for 1980, the Central Supply offering on Sylvania lamps is lower than Graybar offering of G.E. Lamps.

Therefore, I would recommend that the Central Supply offering is the lowest and best bid.

Respectfully submitted,

Carl E. O'Neal

Carl E. O'Neal
